AT HOME FOR THE HOLIDAYS WITH MARIA SHARAPOVA

Maria Sharapova was born in Nyagan, Siberia in 1987, where her parents had recently moved following the Chernobyl disaster a year earlier. From there, the family migrated to the resort town of Sochi. Her dad, a burgeoning tennis enthusiast himself, began taking a young Maria to the local courts.

Everyone knows that I live and breathe tennis, I had met Maria's former coaches before from the US Open, but the last few years Maria has taken on a great influence in our household. In an effort to teach my finance the value of tennis, I told him to select a player and follow. He unanimously selected Maria.

Earlier this year, Maria released her memoir *Unstoppable*, an apt title given the things that Sharapova has faced in the past year and the rote determination with which she's faced them. It has been such an inspirational read for my family.

I super excited at the opportunity to talk to Maria about her holiday traditions and to share them with you.

BEN SHERMAN: LOOKS FOR THE HOLIDAYS

Fall is here! So are the holidays. Of course, that means we need to break out the boots, jeans and long-sleeve shirts.

Living in the South we don't have a lot of long-sleeve looks right now, but the weather has turned cooler so it is time to break out these items. This means it is time to get some of the fancier dressing items that we will need for the holidays and big events coming up.

Ben Sherman — always has some fantastic dressy-casual looks that are perfect for fall weather and holiday events.

TIMBERLAND HIKER MID BOOT

There's a lot of gifts giving happening this holiday season, but that also means there's a lot of gifts receiving going on, too. Making shopping easy for them by getting them the best boots this season. Even better, treat yourself to a new pair of boots for surviving another year.

CASIO G-SHOCK DW5600MW

When you are shopping for that special male in your life, it can be tough to find them the perfect gift. That is why I was so happy to find this watch. You are going to love it, and it will make that special person on your list very happy.

ALDI MERRY MOMENTS UGLY CHRISTMAS SLIPPERS

With the cold weather coming and the holidays, we were looking for a new pair of slippers that would be fun and festive. These elf slippers fit the bill perfectly.

IG CHARCOAL GRILL

We are a huge fan of charcoal grilling in the South since the weather is usually good. Pretty much everything I cook on my grills is on charcoal and I don't even own a gas grill. Gas grills definitely have their place but I am willing to trade the convenience of gas for the flavor of charcoal. This would be a perfect holiday gift for the cook in your life.
