AT HOME FOR THE HOLIDAYS WITH MARIA SHARAPOVA

Maria Sharapova was born in Nyagan, Siberia in 1987, where her parents had recently moved following the Chernobyl disaster a year earlier. From there, the family migrated to the resort town of Sochi. Her dad, a burgeoning tennis enthusiast himself, began taking a young Maria to the local courts.

Everyone knows that I live and breathe tennis, I had met Maria's former coaches before from the US Open, but the last few years Maria has taken on a great influence in our household. In an effort to teach my finance the value of tennis, I told him to select a player and follow. He unanimously selected Maria.

Earlier this year, Maria released her memoir *Unstoppable*, an apt title given the things that Sharapova has faced in the past year and the rote determination with which she's faced them. It has been such an inspirational read for my family.

I super excited at the opportunity to talk to Maria about her holiday traditions and to share them with you.

TARGET-SONIA KASHUK PADDLE BRUSH SET

I've been a fan of Sonia Kashuk makeup brushes for many years. They are great quality and can easily be picked up at Target. A few ago I noticed some changes happening to the display at Target and I feared the entire line was being eliminated, but then I was told the line was just rebranding!

TARGET'S BLISS MINI PEEL MASK TRIO

If heaven were a place on earth, we're pretty sure it would be Target.

We turn to the retailer for our food, furniture, and clothing basics. There's also no shortage of cute decor and knickknacks to pick up. This year, Target is the ideal spot to pick up beauty gifts for everyone on your list. The aisles are decked with cute cosmetic treats including eyeshadow palettes, hair care kits, and grooming essentials, making it easy to complete your holiday shopping during your usual perusing.

Ahead, you'll find the best beauty sets Target has to offer. I want to share with you one of the items that you are going to love this season.

QVC'S PHILOSOPHY HOLIDAY EDITION 6-PIECE SHOWER SET

Philosophy is a beauty brand I have been using for a long time. I am really happy to finally try them out and review one of their holiday collection! that was featured on QVC. I received this set a few weeks ago. I really recommend them as they are simply amazing and Philosophy has such a great collection of sets and limited edition products specially made for the holidays.

FIZZY MAGIC BATH BOMBS

Fizzy Magic Bath Bombs deliver new fun & learning to bath time. . . and bedtime. Each Fizzy Magic Bath Bomb comes with a clue to guess... and once that surprise appears, the play goes on with a toy and fun fact. PLUS the experience continues with a story — perfect to start in the bath and continue into bed. It's a seamless bath-to-bedtime ritual!

PAMPERING WITH SKIN WITH NATURA BRASIL

Have you noticed that when the seasons start to change, so does your skin and hair?! My skin and hair tends to get very dry around this time of year so I'm always on the lookout for some products that will help keep my skin hydrated and hair silky soft. This year so far, I've come across a few products that have been so amazing and can't stop using so of course, I just had to share them with you guys!

CHARMING SCENTS WITH YANKEE CANDLE

Scents are so evocative aren't they? You can manipulate a memory by using a scent over and over again. I love the scent that can bring me back to my happy childhood days.

Yankee Candle has bought out a beautiful range of Car Fragrances that will subtly fill your car with a gentle fragrance, and what's more, they are pretty!

EUFY SMART SCALE

Eufy produces the BodySense Smart Scale. It pairs with your phone via Bluetooth to track and log all your weigh-ins. On top of this, the app provides some in-depth stats that you don't normally get from a regular scale. We're hesitant to call it a necessary part of any fitness or weight loss regimen, but if you want some help keeping track of your weight, it's a handy upgrade.

FOCO'S NFL & COLLEGIATE LICENSED PRODUCT HELPS YOU WITH EVERY SPORTS FAN ON YOUR LIST

Forever Collectibles (FOCO) introduced their annual officially-licensed NFL & Collegiate merchandise, curated by what's trending in America's most popular sports properties.

These are perfect gift for that sports fan in your life or as a gift for yourself.

SMASHBOX HOLIDAZE – ALWAYS ON LIQUID LIP MINI SET

Here, we have the SMASHBOX Holidayze Always On Liquid Lip Mini Set. The entire set of six liquid lipsticks retail for \$36 and it contains three matte metallic shades and three matte shades. This year, they collaborated with L.A. artist Jen Stark to bring to you these fun designs on their packaging. Again, this is great for me because I get exposure to six different shades here. The gift set contains 3 matte and 3 metallic matte shades that provide a gorgeous color payoff and don't feel too dry or sticky. Again, I'm a fan of Smashbox liquid lipstick formula so I received what expected from this set.
