Each year the holiday gift guide is our blogs biggest event. We will be highlighting gift ideas for the whole family, including people of all ages, pets and stocking stuffers.

MAJESTIC FILATURES

This line landed on Oprah's Favorite things List for 2016. She stated "I love these tees! The buttery fabric feels like a second skin and holds you in without being restrictive. I wear mine almost everyday. Best of all? It's truly a goes with anything style".

UGG COLLECTION

At the top of my Gift Guide's must have list is the ever-popular UGGs. UGGs are well known for their superb quality twinface sheepskin, luxurious feel and outstanding craftsmanship. All UGG Australia products are made from twinface sheepskin. This amazing sheepskin is soft and dense, yet keeps your feet warm and dry. The sheepskin also has superb moisture-wicking properties, so that your feet won't sweat as readily as they would in other types of boots.
